Congratulations on joining the VDA family!

You have become a member of an elite club of veterinarians whose common interest is the protection of veterinarians in private veterinary practice who face disputes, complaints and litigation. The VDA is a mutual non-profit professional defense association of veterinarians that operates for veterinarians, is run by veterinarians and is dedicated to safeguarding your interests and to protecting you and your practice from the financial and psychological stress and damage caused by disputes and litigation.

The VDA is wholly owned by its members (American Veterinarians) and is governed by an executive committee appointed by a board of directors. Surpluses are injected back into the association to expand and improve services.

The mission of the VDA is to protect the professional integrity and reputation of its members. The VDA achieves this by providing a complete bouquet of protection and defense services to its members.

This bouquet includes:

- Immediate assistance and guidance with problems, disputes and practice management issues provided by the VDA's trained veterinary Consultants.
- Alternate Dispute Resolution with aggrieved clients.
- Complete defense in State veterinary board disciplinary proceedings (veterinary license defense), malpractice lawsuits and in any other administrative tribunal, consumer tribunal or any other legal or statutory forum.
- Claims Prevention measures, including consent forms, model certificates and VDA Bulletins detailing protocols on best practice.
- Representation of members' interests in legislation affecting the veterinary profession.
- Access to the profession's own veterinarian psychology counsellor for members who experience anxiety, stress, depression, burn-out or have suicidal feelings.
- Regular information updates via e mail and on our website at www.vda-america.org
- Join the VDA on LinkedIn, Like us on Facebook and Follow us on Twitter.
